## Safety & Loss Control Consultant Dane County/Southwest Wisconsin

- Position Description:**
1. Provide consultation services including safety training, safety and loss control inspections, loss history evaluations, and program development to medium and large size commercial policyholders.
  2. Assist the commercial lines underwriting process by evaluating client operations, risks and controls. This includes safety and loss control pre-surveys of large commercial prospects and annual surveys of existing accounts.
  3. Prepare technical safety and loss control reports, develop appropriate safety and loss control recommendations, and issue recommendation letters to policyholders.
  4. Provide technical training and guidance to agents and underwriting staff on safety and loss control topics.
  5. Provide public training to trade organizations, conferences, seminars, and continuing education classes in support of Rural Mutual's focus on protecting Wisconsin employees and businesses.
  6. Develop safety and loss control resource materials that can be provided to our agents, underwriters and policyholders.
  7. Assist in the continued development of the safety and loss control material library and website.
  8. Improve processes within the company to increase the level and quality of service provided to internal and external customers.
  9. Other duties as assigned.

- Qualifications:**
1. Bachelor's degree in Business, Engineering, Occupational Health and Safety, Insurance or equivalent degree or work experience.
  2. Minimum of five years of safety and/or loss control experience in insurance, manufacturing, construction or agriculture.
  3. Knowledge of OSHA, MSHA, DOT, NFPA, FMCS, DSPS, DNR and other relevant safety and regulatory standards.
  4. Outstanding communication skills.
  5. Proficient personal computer and mobile technology skills with the ability to use MS Office Suite and learn a variety of proprietary technology platforms.
  6. Self motivated and the ability to work independently.
  7. Valid driver's license.
  8. Available for overnight travel (<5%).
