

## Crop Hail Insurance Adjuster

### **Position Description:**

Part time seasonal crop hail adjuster paid per diem with travel expenses. Respond to crop hail claims by communicating with involved parties, performing crop hail adjustment processes, administering insurance obligations to ensure compliance of policy provisions.

### **Primary responsibilities**

- To accept, contact and handle claims as assigned
- Complete field inspections on damaged crops using crop hail adjusting procedures, tables, charts and maps
- Accurately document, process and transmit loss information in order to determine potential damages and arrive at the appropriate claim settlement
- Provide timely and accurate policy service, answer questions and communicate adjustment determinations effectively to customers.

### **Qualifications and Abilities:**

- Knowledge of Wisconsin agriculture and crops
- Effective communications skills
- Ability to work independently
- Basic math skills
- Valid driver's license required
- Physical demands – Ability to walk fields with uneven terrain is necessary

### **Experience:**

- Preferred applicants will have working knowledge of crop farming. However, we will train candidates that possess the desired qualifications.
